## **P. Joseph Lehman, Inc., Participates in the 2015 International Bridge Conference**

Pittsburgh, PA- The David Lawrence Convention Center was the host of the 2015 International Bridge Conference, sponsored by the Engineers' Society of Western Pennsylvania. The Conference was held from June 7<sup>th</sup> to June 11<sup>th</sup>. P. Joseph Lehman, Inc., Consulting Engineers exhibited in the exhibit hall along with other organizations involved with bridge

design, construction, inspection and technology from around the world. Marty Malone, Ethan Weyant, Tom Dougan, Aaron Craig, and Allan Derr were in attendance to represent Lehman Engineers. During the time at the conference Lehman's representatives were able to attend technical sessions, see the newest and latest technologies, and network with bridge professionals from around the world. Other discussions included

accelerated bridge construction and case studies, which addressed problems

and solutions that other engineering professionals encountered on bridges all over the world. The time at the International Bridge Conference also gave Lehman's employees time to network with over 1,300 other bridge-related professionals. The conference has been held in Pittsburgh, PA for the last 32 years. In 2016, the conference moves to National Harbor, Maryland at the Gaylord National Resort and Convention Center.
