LEHMAN ENGINEERS HIRES CRAIG K. STODART

P. JOSEPH LEHMAN, INC., CONSULTING ENGINEERS OF HOLLIDAYSBURG AND MOUNT JOY, PENNSYLVANIA is very pleased to announce that Mr. Craig K. Stodart will be joining the firm in the Transportation Department. Stodart, a resident of Houtzdale, PA, received his Bachelor of Science Degree in Civil Engineering from Bucknell University, graduating in May of 2008, Magna Cum Laude. He continued his studies in Civil Engineering at Bucknell and will receive his Master of Science Degree in May of 2009. Stodart maintained a Grade Point Average of 4.0 in his major, joined Chi Epsilon, National Civil Engineering Honor Society, and received a scholarship from the American Society of Highway Engineers in 2007. As an undergraduate and graduate student, he focused his research in structural engineering with regard to historic truss bridges. Craig Stodart spent 3 summers as an intern with the Pennsylvania

Department of Transportation, Engineering District 2-0 in Clearfield, Pennsylvania.

Craig Stodart will provide his expertise in the area of bridge design, a core service offered at Lehman Engineers. These projects will include bridge replacements, rehabilitations, and inspections across the Commonwealth for the Department of Transportation, the Pennsylvania Turnpike Commission, and various municipalities owning bridges.

For more information, please contact Marty Malone of Lehman Engineers at 814-695-7500. (Photo of Craig K. Stodart attached)
