## **LEHMAN ENGINEERS HIRES KENNETH W. SZALA, P.E.**

HOLLIDAYSBURG, PA - P. JOSEPH LEHMAN, Inc., Consulting Engineers is very pleased to announce that Mr. Kenneth W. Szala, P.E., has joined the firm as Land Development/Building Systems Director. Ken, a licensed Professional Engineer, obtained his Bachelor of Science Degree in 1988 and brings over twenty-two years of experience as a Civil Engineer to the firm.

Throughout his career, Ken has achieved professional expertise as a Transportation Engineer (working on all phases of PennDOT design), in bridge inspection, in land development design, and finally as Vice President of Civil Engineering at his former employer.

At Lehman Engineers, Ken Szala will lead all efforts in Land Development and Building Systems. In a similar position, Ken was instrumental in providing design solutions for such projects
